Monday Holiday Martin Luther King Day

Tuesday – Full Day 0830-1630

Exam: Pediatrics: The school age child and the child with emotional issues

Anatomy and Physiology: The Heart and Vascular System

A&P Chap. 12 & 13

MTS Chapter 5

Med-Surg: Vascular disorders, hypertension, age related changes

MSN Chapters 36, 37

VCE for **MSN** Lesson 11

Week 38 January 23, 2012

Monday

Exam: The Adolescent

Medical-Surgical: Cardiovascular disorders, disorders of rate and rhythm, assessment and diagnostics

MSN chapter 35

MTS pgs 169-193

Tuesday

Anatomy and Physiology: Lymphatic system

A&P chap. 14

Pediatrics: Care of the Child with a cardiovascular disorder

IMPN chap 26

Week 39 January 30, 2012

Monday

Exam: A & P: The Heart, Vascular System, & Lymph System Chap. 12, 13, 14

Pharmacology: Drugs that affect the cardiovascular system

ICP: chapters 30, 36, 37, 39, 40

Tuesday

Medical-Surgical: Diet in Heart Disease

BNDT chapter 19

Review of Disorders of the Cardiovascular & Lymph Systems, HTN

Week 40 February 6, 2012

Monday

Exam: MED/SURG Disorders of Cardiovascular/Lymph System. Diet in Heart Disease, care of the child with a CV disorder

Anatomy and Physiology: Endocrine System

A&P Chap 10

MTS pgs 357-383

Pharmacology Drugs that affect the endocrine system

ICP Chap 44, 45

Tuesday

Exam: Pharmacology: Cardiovascular drugs

Medical-Surgical: Disorders of the Endocrine System, Child with a metabolic disorder

MSN Chap. 44 & 45

| **IMPN** Chapter 31 pages 709-712

Week 41 February 13, 2012

Monday

Exam: A&P Endocrine System

Medical-Surgical: Diabetes Mellitus

MSN Chap. 46

VCE for MSN Lesson 14

Pharmacology: Antidiabetic Drugs

ICP: Chap 43

Tuesday

Med-surg: The diet in Diabetes

BNDT Chapter 20

Review endocrine disorders

Pediatrics: The child with diabetes

IMPN Chapter 31 pages 713-726

VCE for IMPN Lesson 17

(Lesson 18 may be done for extra credit for Pediatrics)

Week 42 February 21, 2012

Monday: President's Day Holiday

Tuesday full day 0830-1630

Exam: Med-Surg: Disorders of the Endocrine system

Anatomy and Physiology: Nervous System

A & P Chap. 8

MTS pgs 414--445

Pharmacology: Drugs affecting the Nervous System

ICP Chaps. 24, 25, 26, 27

Medical-surgical: Neurologic Disorders

MSN Chap. 27

IMPN chapter 23 pgs 537-560

VCE for IMPN Lesson 16

Week 43 February 27, 2012

Monday

Exam: Pharmacology for the Endocrine System: chapters 43, 44, 45

Pharmacology: Drugs affecting the Nervous System (cont)

ICP Chaps. 28, 29, 30

Medial-Surgical: Neurologic changes in the elderly

MSN Chap. 22

Tuesday:

Exam: A&P Nervous System

Medical – Surgical: CVA and spinal cord injury

MSN Chap.28 & 29

Week 44 March 5, 2012

Monday

Exam: Pharmacology: Drugs affecting the Nervous System Chapters 24, 25, 26, 27, 28, 29, 30 and Neurologic changes in the elderly

Anatomy and Physiology: The Urinary System

A&P Chap. 18

MTS Chap 7

Pharmacology: Drugs affecting the Urinary System

ICP Chaps. 48 & 49

Tuesday

Exam: Med-Surg: Disorders of the Nervous System

Medical-Surgical: Diseases and Disorders of the Urinary System

MSN Chap. 40

Week 45 March 12, 2012

Monday

Exam: A&P of the Urinary System

Medical-Surgical: Renal Transplantation

MSN: Pgs 878- 882

Child with a genitourinary Condition
IMPN Chapter 29

Tuesday

Exam: Drugs for the Urinary System Chapters 48, 49

Medical – Surgical: Chemistry review: Fluid and electrolyte and Acid-Base Balance

A&P Chapter 19

ICP Chapter 55

FN Chapter 22

Week 46 March 19, 2012

Monday

Exam: Med/Surg: Disorders of the Urinary System and child with a genitourinary disorder

Medical-Surgical: Fluid and electrolyte disorders & Shock

MSN pages 192-201 & Chap. 19

Review Fluid and electrolyte Concepts

Tuesday

NLN REVIEW EXAM

Week 47 March 26, 2012

Monday

Exam: Med/Surg: Fluid/Electrolyte Disorders/Shock

Anatomy and Physiology: The Integumentary System

A&P Chap.5;

MTS Chap. 3

Medical-Surgical: Nursing care of the child with a skin disorder

IMPN Chap 30 pgs. 689-700

Tuesday

Disorders of the Skin, Skin cancer, Disorders of the Nails

MSN Chapter 50 pgs. 1122 – 1144;

Week 48 April 9, 2012

Monday

Exam: A&P of Integumentary System

Medical-Surgical: Burns and conditions treated with plastic surgery

MSN pgs. 1145 - 1156

IMPN Chapter 30 pages 701-708

Tuesday

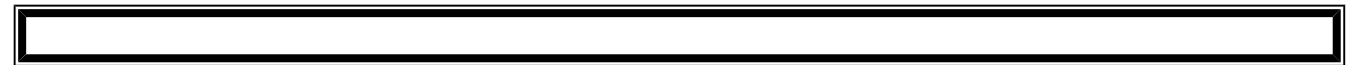

Medical-Surgical

Leadership and Management Concepts

MSN Chap. 4;

SPVN Chap 15 & 16

FN chap 41

Week 49 April 16, 2012

Monday

Exam: Med/ Surg: Skin and Disorders including Burns

Anatomy and Physiology: The Senses

A&P Chap. 9

MTS Chap 11

Medical-Surgical Eye and Vision Disorders

MSN Chap 51

Ear and Hearing disorders

MSN Chap 52

Nursing Care of the child with a sensory disorder

IMPN chap 23 pgs 529-537

Tuesday

Medical-Surgical: Substance Abuse - Related Disorders

MSN Chap. 56

FN Chap 36

Possible Guest Speaker

Week 50 April 30, 2012

Monday

Term3 2012

Exam: A & P: The Eye & Ear

Pharmacology: Anti depressants, antipsychotic Medications
ICP Chap. 22, 23 Review Chap. 20

Medical Surgical Concepts of Mental Health Care
Mental Health Services in Lake and Mendocino Counties
FN Ch 34, 35

Possible Guest Speaker

Tuesday

Exam: Med/Surg: Disorders of the eye and ear

Medical-Surgical Complementary and Alternate Therapies

FN Ch 17

IMPN Chap 34

**Possible Panel of Guest Speakers: Hospice, Hispanic culture therapies
Acupuncture/Herbs/Massage**

Week 51 April 30, 2012

Case Studies due at 0830 Monday

Monday

Exam: Pharmacology Antidepressants, Antipsychotics, Antianxiety Chap. 20, 22, 23

Guest Speaker - Project Sanctuary

Guest Speaker - Child Protective Services

Guest Speaker – Adult Protective Services

SNF documentation and skills sets---Tammy Perez

Tuesday

Employment presentations

Valley View Convalescent Home

Ukiah Convalescent Home

Evergreen Convalescent Home

Lakeport Skilled

RHC

Week 52 May 7, 2012

Monday

Exam: Medical-Surgical: Substance abuse, alternative Therapies, Leadership, Mental Health

Vocational Nurse Application

Licensure requirements, Interim permits, continuing education
LVN to RN programs

NCLEX Review

Tuesday

Functioning as a staff nurse, setting priorities, job applications and interviews
Resume writing, career opportunities, and scope of practice
SPVN Chap 21

Week 53 May 14, 2012

Wednesday, Thursday, Friday Full Clinical Days 0630-1630

Week 54 May 21, 2012

Monday: Clinical 0630- 1500 (8 hours)

Tuesday: Review and NCLEX Success 0830-1530 (6 Hours)

Wednesday: Pictures and Graduation Practice

Thursday: Graduation
